Dear residents

The Parish Council is looking for volunteers to aid in snow/ice clearance this winter.

SNOW CLEARANCE WILL **ONLY PROCEED WHILST RESOURCES PERMIT** AND WHEN IT IS NOT POSSIBLE CAUTION SIGNS WILL BE ERECTED IN THE AREAS THAT HAD BEEN DESIGNATED FOR SNOW CLEARANCE SO ALWAYS USE REASONABLE CARE.

WE WILL **NOT** BE CLEARING THE WHOLE PARISH (PLEASE SEE LIST OF AREAS PLANNED TO BE CLEARED ON PARISH NOTICEBOARDS)

The general idea is that volunteers will provide their contact details (preferably mobile numbers) which will be held by designated supervisors. The supervisors (mainly parish councillors) will assess the weather conditions daily and if it is felt appropriate to clear snow/ice then they will contact volunteers with a message saying the following:

Meet at

Time

Please acknowledge with yes or no (to attend)(This will give the supervisor time to work out how many people they will have and then prioritise the areas to clear. Volunteers will be expected to wear suitable clothing, bring their own appropriate equipment.)

If you wish to volunteer (even if time is limited) then please pop into the Parish Office with your contact details. There is normally someone in the office between 9am to 4pm Monday to Friday.

Thank you.

Melanie Stepkowski – Parish Clerk
